- ME = Meeting Expectations:** Pupils who are working at the standard expected for their year group.
- WT = Are Working Towards:** Pupils working at the appropriate age curriculum, but who have not yet secured all the expected learning for their year group.
- BE = Below Expectations:** Pupils who are not yet working on the objectives linked to their year group.

Pupils' effort is measured against St. Stephen's high expectations; it is graded in the following bands:

- 1 = Excellent Effort. The pupil achieving this grade will have produced work close to the highest standard of which he/she is capable. A considerable amount of time will have been spent on this work.
- 2 = Good effort. The pupil achieving this grade will have shown care and attention in producing his/her work. There would be some room for improvement, given a greater effort.
- 3 = Average effort. The pupil achieving this grade will have produced the required work to a basically acceptable standard (for his/her ability), but without ever extending him/herself beyond this.
- 4 = Disappointing effort. The pupil achieving this grade will have generally made little attempt to complete the work set, and will have shown a reluctance to respond to advice. This pupil's work may be poorly presented and lacking in punctuality.
