Dear Sir/Madam,

I, Ms. Natchamon Sakundejpaiboon, am applying for a Tourist Visa to Australia and thank you for considering my application. We are planning to visit Australia as our son's summer holiday.

We are Thai citizens who have permanent address at 34/7-9 Soi Chockchairummit, Vibhavadee Rd., Jompol, Jatujak, Bangkok, Thailand 10900. I am a General Manager at D.D. Car Service, Company Limited, and have been working here for 15 years now. I am also a shareholder of the company with 49% of the total shares. The 50% shares belong to my husband. We own a car service center which has lots of clients in hand including government organizations and well-known companies. Our company is located at 34/7-9 Soi Chockchairummit, Vibhavadee Rd., Jompol, Jatujak, Bangkok, Thailand 10900, where we are working and staying during our son's school day. We own 2 houses in Bangkok, a 4-Storey Commercial Buildings in Bangkok; and a single-detached house at Raminthra. We also own a land in Soi Vibhavadee 18, Bangkok. All houses and land have been all paid off and have no debt.

My husband and I love travelling. We have travelled around the world since 2005. We have been in Japan, Singapore, Hongkong, China, Morocco, United state of America, New Zealand, and many parts of Europe including France, Belgium, Germany, Switzerland, Spain, Italy, Austria, Portugal, Norway, and UK. We have never overstayed nor applied for any other visas to extend our stay. We have business to take care of and my son needs to go back to school. My son is currently studying in year3 at St. Stephen's international school, Bangkok.

This will be our first time in Australia, we plan to visit Melbourne in July 2025 and plan to visit my husband's niece in Sydney in April 2026, however, we will stay in a hotel. And We might visit Australia in July 2026 because it's my son's summer holiday and its winter season in Australia, he loves skiing. We will have a ski trip for him and his friends.

I am responsible for filling out all application forms, including arranging all documents. But if there should be any missing documents, please do not hesitate to contact me.

Finally, I really hope for your generous consideration in granting us all 3-year visas. It would mean a lot to us all. I will be looking forward every day from now for contact from the embassy.

Sincerely Yours.

Ms. Natchamon Sakundejpaiboon
