Re: Self introduction letter

To Whom It May Concern,

My name is Mr. Somchai Yenvichitsopa. I am a Sale Manager of Southern area at Arunee Shop, where I have been working for almost 16 years now. It is a whole-sell business of garments which has several clients in hand. I am also a shareholder of the Arunee Shop with 50% of total shares. The other 50% is belonged to my sister, Ms. Arunee Aranyichon.

I own a house at 87/6 Village Number 2, Khlong-hae, Hatyai, Songkhla 90110, where I am living now. I also own 19 Rai-land in Songkhla where there are plantations with Para rubber tree. They are all paid off and have no debt.

I travel sometime. Eight years ago, I followed my niece and her family to Switzerland, which was the first time, I travel to Europe. It is very beautiful, so I decided to take a vacation with her and our other family members to explore other countries. I used to visit France and UK in 2019. This year we decide to go to Australia. We have never applied for any visa nor overstayed visa to extend our stay.

Finally, I really hope for your generous consideration on granting us all visas. It would mean a lot to us all.

I will be looking forward every day from now for contact from the embassy.

Sincerely Yours.

Mr. Somchai Yenvichitsopa
