Island Tour + Blue Grotto Visit - Yellow Line

Kids under 5: free

Dogs of any size are allowed on board

Visiting the Blue Grotto: once we reach the entrance to the Blue Grotto, all passengers must board small rowboats to enter the cave. Please note that the rowboat service to enter the Blue Grotto is not managed by our company and we are not responsible for any long wait times or delays. Visits inside the grotto last five minutes and then passengers reboard the Motoscafisti boats.

Should the waiting time for the entrance to the Blue Grotto exceed 45 minutes, the crew reserves the right to return to port, for safety reasons. In this event, a free ride straight to Blue Grotto is provided. Access to the Blue Grotto cannot be guaranteed with certainty as it is closed during rough seas or strong winds and weather conditions can change within the same day, leading to closures and reopenings.

We suggest bringing sunblock and a hat!

Thank you for choosing us!

See you at dock n. 0 in Capri's Marina Grande port. Just show your ticket and board the first Blue Grotto boat available!

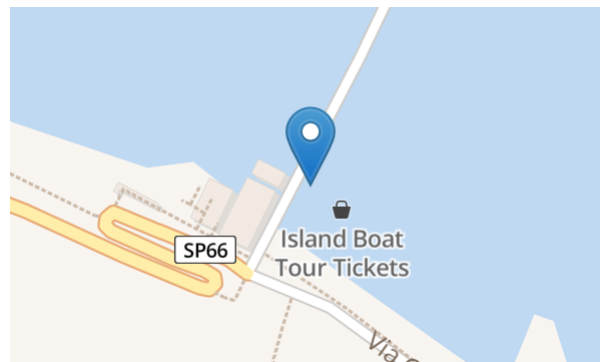

You'll find departures about every 30 minutes from 9:45AM to 2PM daily!

See you in Capri!
