Recycling: Please help us with our recycling efforts. There are three rubbish stations around the park. Each station has three wheely bins for clear, green, and brown glass so please put your bottles in the correct bin. There is also a wheely bin for plastic bottles and tin cans only. Please wash them out and put them in the correct bin. There is a separate wheely bin for 'All Other Rubbish' Please put everything else in here. In the communal kitchen between the fridges is a rubbish bin and a orange food scrap bucket. Please only put left over food waste in the food scrap bucket. This will go through the compost and get used in the garden. All other rubbish can go in the wheely bins outside the kitchen.

With your help we can make a difference.

Nature: Keep an eye on the native bush behind the back fence. You'll see Tui's and Bellbirds, as well as Keruru there in the right season and hear Weka's at night. This is campground land up to the airport road, and we have left it in its native state. The vast majority of the plantings around the holiday park are all native as well. It is going to take a bit of time to happen but it will be quite special when it all matures. Watch out for the Kahu or New Zealand native Swamp Harrier (hawk) floating along the top of the hill in the late afternoon as well. It is a sight to see.

If you have any questions about your stay at Hokitika's Kiwi Holiday Park and Motels or your booking, please feel free to contact us by replying to this email or call us on 03 7555141.

Remember Hokitika is regarded as the cool little town and a "must-stay" destination on the West Coast. Don't rush! It's common to hear "I wish we had stayed in Hokitika longer. There is so much to see and do." Some top local picks include meeting local artists in their galleries, feeding eels and seeing live kiwi, walking the treetops, riding the West Coast Wilderness Trail, picnicking at Lake Kaniere, cruising on Lake Mahinapua and seeing the unbelievable Hokitika Gorge.

Hokitika is also a great place to base yourself to see the wider West Coast. Do scenic day trips to Punakaiki's Pancake Rocks to the north or the Franz Josef and Fox Glacier to the south. Shantytown Heritage Park is a great place to take the kids to experience living history.

Thanks again for your booking. We look forward to having you stay with us.

Kind regards

WHERE TO MEET:

- **All tours depart from the [Ziptrek Treehouse](#)**, 100m from the top of the Skyline gondola. **NOT our Central Queenstown booking office.*
- Check-in at the [Ziptrek Treehouse](#) **15 minutes prior** to your tour departure time.
- To reach us, either:
 - [purchase tickets to ride the Skyline gondola](#) – allow at least 45-minutes from Central Queenstown, more in peak holiday periods
 - [hike the Tiki Trail](#) – steep trail, allow 90 minutes
- To locate our checkin treehouse, turn left throught the glass door immediately as you exit the Gondola. From here follow the walk way and at the end, downhill to the left, you will see our orange flags. If locating us from elsewhere on Bobs Peak, such as the cafe or Luge area, you will need to return to this same glass door.
- Please note that December to February is Queenstown's peak season, and with this our tours are in high demand. This means that we have limited options for rescheduling should you miss your tour. We kindly ask that you arrive on time for your departure, ensuring you don't miss out!
