Dear Sir/Madam,

I, Ms. Natchamon Sakundejpaiboon, am applying for a Tourist Visa to New Zealand and thank you for considering my application. We are planning to visit New Zealand as our vacation trip. Our trip includes my family members as listed above.

I am a Thai citizen who has permanent address at 9/39 Grand Bangkok Boulevard Ratchada-Ram Inthra Road, Kannayaw, Bangkok, Thailand 10230. I am a General Manager at D.D. Car Service, Company Limited, and have been working here for 15 years now. I am also a shareholder in the company with 49% of the total shares. The 50% shares belong to my husband. We own a car service center which has lots of clients in hand including government organizations and well-known companies. Our company is located at 34/7-9 Soi Chockchairummit, Vibhavadee Rd., Jompol, Jatujak, Bangkok, Thailand 10900. We own a house in Bangkok, a 4-Storey Commercial Buildings in Bangkok; and a house in Chiang Mai, where have been all paid off and have no debt. My husband and I love travelling. We have travelled around the world since 2005. We have been in Japan, Singapore, Hongkong, China, Morocco, United state of America, New Zealand, and many parts of Europe including France, Belgium, Germany, Switzerland, Spain, Italy, Austria, Portugal, Norway, and UK. We have never applied for any other visas nor overstayed visas to extend our stay. We all have business to take care of and my son needs to go back to school. my husband and I used to visit New Zealand in 2010, It's a very beautiful country and we love it very much. This time we would like to take our son to visit the country in a 6 Berth-motorhome. It will be a wonderful experience for him. While my mother, aunt, and uncle will stay in a motel where is more convenient for them.

I am responsible for filling out all application forms, including arranging all documents. Our completed itinerary and supporting documents are attached. My husband's statement has 67 pages, the file is too large to be uploaded so that I separate it into 2 sections. The previous pages is in "Other financial information" section. I have tried my best to provide as much information as possible and made sure that I did not miss out on any small details. But if there should be any, please do not hesitate to contact me.

Finally, I really hope for your generous consideration in granting us all visas. It would mean a lot to us all. I will be looking forward every day from now for contact from the embassy.

Sincerely Yours.

Ms. Natchamon Sakundejpaiboon
