Re: Additional information of Self introduction letter

To Whom It May Concern,

My name is Ms. Waree Jongkulmanee. I have been a retired government teacher for 24 years now. During my retirement, I have traveled to Europe/Asia/USA with my family and friends. I have an unmarried partner who I have been living together for almost 35 years. We live in Pattaya and own a condominium in Bangkok.

I always follow my niece and her family for our vacation, including this trip with my brother and sister as a family trip. We have never applied for any visa nor overstay visa to extend our stay.

Finally, I really hope for your generous consideration in granting us all visas. It would mean a lot to us all.

I will be looking forward every day from now for contact from the embassy.

Sincerely Yours.

Ms. Waree Jongkulmanee
